All Other Origins		Please contact local sales

\* United States includes Puerto Rico and US Virgin Islands

\*\* Except Puerto Rico and the US Virgin Islands

\*\*\* Fuel surcharges may vary by country

The fuel surcharge is calculated against the actual shipment weight and shown as a due carrier amount on the air waybill.

Fuel Surcharges on prepaid shipments must be shown as prepaid due carrier fees and cannot be assigned as collect charges.

On domestic shipments, the Federal Excise Tax of 6.25% is applicable to the Fuel Surcharge (FSC).
